Functions of the Holy Spirit

(1) In Greek, the word “comforter” means, “The one who the Lord will call alongside of to give assistance.” The Greek also means: an intercessor, counselor, and advocate. The Holy Spirit does assist us in our journey in life. In times of sorrow he assists us by comforting us and consoling us; in times of weakness he strengthens us; in times of fear he can cause us to feel peaceful and calm. He is there to assist us, by guiding, directing and helping us on our journey through this life. His functions are very numerous and I know I have not listed them all. The help of the Holy Spirit is vital to our success in reaching our goal at the end of life’s journey. I hope each of you will invite Him to be a part of your daily journey.
